

Global Trade Leader Scholarship

Hanoi University of Science and Technology & Leipzig University

Master's in Business Administration

Open to Vietnamese citizens

Hinrich Foundation – VF Corp joint scholarship and career development program

The two organizations share a firm commitment to trade, education and people development.

Through our Global Trade Leaders Scholarship Program collaboration, we aim to advance the practical skills of our scholars through advanced university education, on-the-job training and career development.

Our goal is to develop global trade leaders to increase human capital in the regions and industries that we serve, thereby advancing quality export trade to markets worldwide.

Call for applicants: Full scholarships available - AY 2016

The Hinrich Foundation and VF Corp are encouraging bright individuals with a passion for international trade and footwear to apply for our scholarship and career development program. The MBA degree will be conferred by Leipzig University.

Purpose

To provide quality education and comprehensive career development opportunities for postgraduate study for scholars with proven academic and professional track records, who have the desire to make a positive impact on people's lives through export trade promotion.

Programs of study

Successful candidates will be working for VF Corp on a full-time basis while studying an MBA jointly offered by Hanoi University of Science and Technology (HUST) and Leipzig University (LU). Classes are scheduled in evenings and weekends.

Working location: Hanoi or nearby provinces

Duration of study: 4 semesters - 2 years

Eligibility

Applicants must:

- Be Vietnamese
- Possess a relevant bachelor's degree
- Possess 4 years of experience in Footwear Production Manufacturing environment
- Be proficient in both written and spoken English

Scholarship support

The Global Trade Leader Scholarship offers full-time employment package and covers 100% academic tuition and mandatory fees for successful candidates.

Career development

Scholars will secure a full-time employment at VF Corp (www.vfc.com) or a subsidiary company during the two-year master program. An undertaking of 2 years after graduation is also required. Work will be in a role and geographic location paid at local market rates.

Should scholars decline employment offer, the full amount of the scholarship must be repaid.

Online application & deadline: March 31, 2016

Interested candidates are required to submit applications online at: www.hinrichfoundation.com/hinrich-global-trade-leaders-scholarships/ no later than application submission deadline.

Hanoi University of Science and Technology

Leipzig University

Master of Business Administration

Founded in 1956, Hanoi University of Science and Technology (HUST) is one of the leading universities in Vietnam.

The MBA in SME promotion (mba.edu.vn) is a fully-accredited international program offered in cooperation between HUST and Leipzig University (www.zv.uni-leipzig.de).

Leipzig University (German: Universität Leipzig), is one of the oldest universities in the world. The university was founded in 1409. Today, the university has 14 faculties with over 29,000 students, more than 150 institutes and offers 190 study programs leading to Bachelor's degrees, Master's degrees, Diploma and Ph.D.s.

The program's main goal is to transmit the patterns of outstanding German SMEs and successful measures to promote them to institutions and firms across the world.

Students can learn to identify growth and potential innovation inside SME's, the development of innovative concepts for promoting them and generating positive multiplier effects on their business environments.

The program will be fully taught in English with 50% of professors from Leipzig University. The MBA degree will be awarded by Leipzig University.

Hinrich Foundation

We believe sustainable global trade creates meaningful jobs and promotes peace.

We advance our mission through the following programmatic areas:

- Trade related education & training
- Export trade assistance
- International trade policy research

Through the Hinrich Global Trade Leaders Scholarships, we sponsor educational opportunities for individuals who are committed to participate in or promote innovative and competitive global trade.

VF Corp

The VF Corporation: Blending the art and science of apparel

Our strategy begins with a passion for our products and a deep understanding of our consumers. We call it the Art and Science of apparel.

Our rigorous methodology combines data-driven insights, expert execution and some of the most creative minds in the industry. The result is new products that strengthen the bond between consumers and our brands.

Fast and flexible, we are able to leverage our highly diversified global supply chain as we continuously expand our reach around the world.

Today, VF is an \$11 billion apparel and footwear powerhouse, with an incredibly diverse, international portfolio of brands and products that reach consumers wherever they choose to shop. With our expertise in both the art and science of apparel, we have built a sustainable base for continued long-term success. More details at www.vfc.com.
