How to apply: Send CV to via mail: lyvm@sendo.vn

Sendo.vn originally is an E-commerce project run by FPT Online, launched in May 9/2012. To 5/2014, Sendo.vn became the Ecommerce Website in the model of B2C2C (business - to - consumer - to - consumer) under the management of the SENDO Technology Joint Stock Company, a member of the FPT Group.

Sendo.vn's objective is becoming the No. 1 Online Shopping Center in Vietnam.

SENDO is the environment where the young and talented people gather to contribute to the national prosperity through the development of electronic commerce. This is also where you meet the exciting colleagues, share ideas, dedicate and deserve recognition.
